

Request for Proposal Letter

Consulting Services

Name of Assignment: PIU Consultancy Services for the implementation of the Tunisian side of Tunisia-Italy Power Interconnection – ELMED 2

RFP Reference N°: 2026E4008

Grant N°: 17781-155695-56889

Country: Tunisia

1. The Tunisian Electricity and Gas Company “STEG” has been allocated grant funds (the “Grant”) from the European Bank for Reconstruction and Development (the “Bank”) and executed by the STEG (“the Client”). The Recipient intends to apply the funds to eligible payments under the contract for which this Request for Proposals is issued. Payments by the Bank will be made only at the request of STEG and upon approval by the Bank, and will be subject, in all respects, to the terms and conditions of the grant agreement. The grant agreement prohibits a withdrawal from the grant account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of the Bank, is prohibited by a decision of the European Union¹, either autonomously or pursuant to the financial sanctions decided by the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than the Recipient shall derive any rights from the grant agreement or have any claims to the proceeds of the grant.

The Client now invites proposals to provide the following consulting services (hereinafter called “Services”): PIU Consultancy Services for the implementation of the Tunisian side of Tunisia-Italy Power Interconnection. The objective of the Services described under these RFP is **the assistance to the Employer Procurement, tendering and contract implementation of the installation and operation of 400kV overhead transmission line between Grombalia and Kondar in the north of the country (85 km) including entry/exit lines.**

The expected duration for the contracts is: 36 months up to completion of works
